For personal use only.

5"x5"  
 (A+B) + C + (D+E)

bkg		background
prz		pretzel med brown
prz2		pretzel darker brown (shadow)

  
 Match at arrowheads  
 where they meet.

To simplify, you could leave out all prz2 (darker brown) pieces and cover instead with prz1 along with prior numbered piece. (Ex: D2 would be covered by D1; B4 would be covered by B3, etc.)
