PAPER PANACHE

MYSTERY ADVENTURE BLOCK #95

12"x7.5" plus seam allowances

IMPORTANT NOTE: Like all Paper Panache patterns, this mystery block pattern has been reversed. You must paper piece by adding your fabric to the BLANK side of the pattern and sewing on the printed side, or this particular pattern WILL NOT work for you. Please check out the Paper Panache paper piecing instructions available under the Online Help link below.

COLOR NOTES:

All colors should stand out well from the medium dark gray and one another.

PIECING ORDER

Make two rows of blocks.

Join sections together from left to right
when looked at from WS:

Row 1: (A+B) plus (C above D) plus E

Row 2: (F+G) plus

[(H+I on left) + (J+K on right) +
(L+M below) + (N of top of H-M)]
plus O

Alternative Row 2:

[F+G+(section HIJKLMN)+O]

Sew Row 1 above Row 2.

REGARDING OPTIONS:

On the last page of pattern pieces, you have a choice: Make one section, or piece together seven small sections to cover the same area. Quilter's choice.

BASIC STEPS:

1. Cut out pattern and paper piece sections, making sure to add all seam allowances as you go.
2. After all sections are covered with fabric, turn them paper-side up and figure out how the pieces fit together. Work alphabetically following the piecing order. Make sure that the lettering on all pattern pieces is right-side up and that arrowheads match appropriately between sections.
3. Sew sections together carefully according to the piecing order at left. Trim seams between sections to 1/4" and press to one side.
4. Send me an email and tell me what you see! Include your name and city, state/province, and country (if not the U.S.).

FINISHING:

Press. Trim block to 12½"x8", which includes seam allowances.

PALETTE:

For an easy reference, tape a piece of your fabric selection in each spot at right. Amounts have been approximated. You may need more or less depending on how you paper piece, especially if you rough cut prior to sewing.
